

My name is Jody Crouse and I'm a part of a non-profit organization called Sunshine's Angels. The organization was started by Vicki Bull 7 years ago after the loss of her daughter.

Mrs. Bull had to find a way to help her three grief stricken grandchildren deal with the loss of their mother. With the help of PEACE, Olivia's House and Roberta's House, her grandchildren have been able to deal with their loss.

Every year Sunshine's Angels puts on a 5K race with the proceeds going to these three wonderful organizations. This is so they can continue helping other grief stricken children. I'm asking you to help us get the word out about our 7th Annual SUNSHINE 5K Run/Walk & 1Mile Family Fun Walk, Sunday, April 24, 2016 at 8:00 AM. If you could publish/announce/ display the information for the race it would be greatly appreciated. The more people that know about the race the better. Please see the attached flyer for further information.

Thank you in advance for any help you can give us.
