Make an Impact!

Get your brand in front of thousands of families!

The Magic of Science Festival is a fun-filled event for learners of all ages with interactive activities and performances that celebrate the wonders of science. As a sponsor or exhibitor, you can help us inspire thousands of youth from across Harford, Baltimore, and Cecil Counties to develop a passion for science and a love of learning.

Join us for a day of interactive activities and exploration. Our guests are invited to enjoy a free family festival with a day of fun engineered by the Discovery Center at Water's Edge. The Festival will include a kids discovery area, a major regional science fair, interactive STEM activities, tech talks, robots, science experiments,

vendors, food trucks, and much more! It is a day of play for the whole family!

Take a look at our exhibitor and sponsorship packages on the next page, or we will work with you to design a custom package that works for you.

About Discovery Center at Water's Edge

The Discovery Center at Water's Edge will be a place where students of all ages experience, create, and play with science and technology. A place where new worlds are discovered, and connections are made. Exhibits featuring virtual reality will give visitors the opportunity to drive a

tank or fly a plane. Other exhibits will explore the history and the future of high performance computing. In addition to interactive exhibits, this science center will offer after-school programs, maker spaces, and serve as an anchor for the region's STEM activities.

Please visit DiscoveryCenterMd.org for more information and to sign up for our mailing list so you can be the first to know when we open!
